

Save the environment. Help our school. Donate your used Cell phone & Print Cartridges!

Dear Parent or Guardian:

Coral Gables Elementary School PTA is conducting a cell phone & print cartridge recycling fundraiser. There's nothing to buy. We are simply asking you to protect the environment by donating your used digital cell phone(s) and empty ink/toner cartridge(s). **HELP US TURN TRASH INTO CASH.** Proceeds will help fund teacher's classroom supplies.

A contest between all public schools in Dade County starts when school begins. The top school could win as much as \$1000.00 in addition to the proceeds for each cell phone/ink cartridge that is recycled.

Please drop off your used digital cell phone (s) and any chargers that work with the phones, as well as used ink/toner cartridges in the designated bin in the media center.

Please don't hesitate to ask your employers to donate their used cell phones and ink cartridges. If you would like a collection bin for your office, please contact me as soon as possible. Dade Recycling will do pickups at your office.

We greatly appreciate your support!

Best regards,

Coral Gables Elementary PTA
